

Sunscreen

State regulations require that we obtain authorization to put sunscreen on your child and that you notify us of any adverse reactions that your child may have had to sunscreen. It is best for your child and for the school if you put sunscreen on your child before arriving at school. If sunscreen must be reapplied during the day, please sign and date this form and return it to school. Sunscreen must be labeled with your child's name and must be kept in a place inaccessible to the children. Preschool children are not allowed to put on their own sunscreen at school.

University Montessori School Staff

The staff at University Montessori School does/does not (circle one) have permission to apply sunscreen which I provide to my child as directed by product instructions.

My child has/has not (circle one) had an adverse reaction to sunscreen.

If your child has had an adverse reaction, please explain the circumstances, describe the reaction, and indicate how it is to be avoided in the future:

Parent Signature

Date

Parent's name (please print)

Child's Name (please print)
